CAMPS & FIELD TRIPS FOR KIDS (Ages 6-15)

AT R1 INDOOR KARTING ENTERTAINMENT CENTER

ARE YOU LOOKING FOR A TRIP FOR THE KIDS?

R1 has plenty of fun, safe, and enjoyable activities for the kids to do! Come visit R1 to travel through time in Time Mission – an immersive gaming experience, take some laps around our electric go-kart track, or play some games in the arcade!

A STEM-ACCREDITED FIELD TRIP ADVENTURE

Time Mission is a STEM.org Accredited™ educational experience where students explore 25 interactive portals through science, technology, art, history and mathematics—putting critical thinking, problem-solving and teamwork into action. Time Mission is a great team building activity for groups of any age! Your kids will form teams of 2-4 traveling through time in our 25 different portals. Each portal has its own challenge and difficulty which puts their physical condition, intelligence, and hand-eye coordination to the test!

Mission Box is an all-in-one gaming experience for 1-4 players. Mission Box showcases reactive LED tiles, dynamic light-up buttons, and boasts over 6 game modes across 3 levels of difficulty. It's the ultimate real-life action game!

Bring a group to R1 Indoor Karting for a fun day trip for the kids!
